## Mediox

Posterior Pedicle screw system-CTS

**MEDIOX Orvosi Műszergyártó Kft**

Two specifications size 5.5 and 6.0 are available for this system. Size 5.5 features lower profile pedicle screws and Size 6.0 possesses higher strength and stiffness.

**Features :**

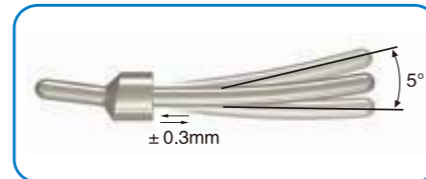

Cylindrical shape and conical inner core design

Dual thread lines design of screw

• Connector

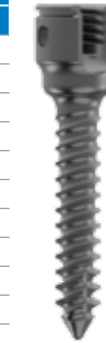

• Non-fusion Micro Rod

• Low profile crosslink

Pedicle Screw  
Standard Single Axial

| 950090105    | 950190105 | 105           |
| 950090110    | 950190110 | 110           |
| 950090115    | 950190115 | 115           |
| 950090120    | 950190120 | 120           |
| 950090250    | 950190250 | 250           |
| 950090500    | 950190500 | 500           |

## Curved Rod

| Product Code |           | Specification |
|--------------|-----------|---------------|
| CTS5.5       | CTS6.0    | L             |
| 950092050    | 950192050 | 50            |
| 950092055    | 950192055 | 55            |
| 950092060    | 950192060 | 60            |
| 950092065    | 950192065 | 65            |
| 950092070    | 950192070 | 70            |
| 950092075    | 950192075 | 75            |
| 950092080    | 950192080 | 80            |
| 950092085    | 950192085 | 85            |
| 950092090    | 950192090 | 90            |
| 950092095    | 950192095 | 95            |
| 950092100    | 950192100 | 100           |
| 950092105    | 950192105 | 105           |
| 950092110    | 950192110 | 110           |
| 950092115    | 950192115 | 115           |
| 950092120    | 950192120 | 120           |

## Micmo Rod

| Product Code |           | Specification |
|--------------|-----------|---------------|
| CTS5.5       | CTS6.0    | L             |
| 950093055    | 950193055 | 55            |
| 950093075    | 950193075 | 75            |
| 950093095    | 950193095 | 95            |
| 950093115    | 950193115 | 115           |
| 950093130    | 950193130 | 130           |

## Cross Link-A

| Product Code |           | Specification |
|--------------|-----------|---------------|
| CTS5.5       | CTS6.0    | L             |
| 950096050    | 950196050 | 50            |
| 950096055    | 950196055 | 55            |
| 950096060    | 950196060 | 60            |
| 950096065    | 950196065 | 65            |
| 950096070    | 950196070 | 70            |
| 950096075    | 950196075 | 75            |
| 950096080    | 950196080 | 80            |
| 950096085    | 950196085 | 85            |

## Cross Link-B

| Product Code |           | Specification |
|--------------|-----------|---------------|
| CTS5.5       | CTS6.0    | L             |
| 950096150    | 950196150 | 50            |
| 950096155    | 950196155 | 55            |
| 950096160    | 950196160 | 60            |
| 950096165    | 950196165 | 65            |
| 950096170    | 950196170 | 70            |
| 950096175    | 950196175 | 75            |
| 950096180    | 950196180 | 80            |
| 950096185    | 950196185 | 85            |

## Lateral Connector

| Product Code |           | Specification |
|--------------|-----------|---------------|
| CTS5.5       | CTS6.0    | L             |
| 950094025    | 950194025 | 25            |
| 950094030    | 950194030 | 30            |
| 950094035    | 950194035 | 35            |
| 950094040    | 950194040 | 40            |
| 950094045    | 950194045 | 45            |
| 950094050    | 950194050 | 50            |
